

Everyone

Thanks for the great turnout last night at Crossover.

1. Remember to get shoes to Tracey Weissling if you can. (weissling@entouch.net)
2. We had a few things left over after last night. Let me know if you're missing something and we'll try to help find it. (rallenscouts@yahoo.com)
3. I will make the CD of the slide show in about a week. That way, if you'd like to send me pictures from crossover or you did not have time to get them to me in my short window, you can still send them to me. When I'm ready, I'll send an email and I'll make them for any of you who would like one. You can email them or drop them on a cd in the bin on my front porch. (13415 Layton Castle Lane)
4. We have quite a few programs remaining from last night. If yours got messed up, or you were unable to attend and you'd like one, feel free to drop by my house and get one. I'll put them into the bin outside my front door.
5. We'll be advancing the boys in Scouttrack next weekend to coincide with the council advancement. If you've left anything off that you'd still like to include, please do so by next weekend. If your son crossed over as a new tiger and I don't have paperwork from you, please email me as soon as possible so I can get forms from you.
6. If you have feedback about how Crossover went or any of the events from this year, please let us know. You can email me (rallenscouts@yahoo.com) and Mike (pack1179@yahoo.com). We'd love constructive criticism!
7. Thanks so much to all the leaders and parents who've volunteered this year to make our pack such a success. We'd love more of you to help out so just let us know you're interested and we'll put you to work!
8. Look for reminders about upcoming summer events. Those of you with rockets, have a blast next weekend. We'll see many of you at Day Camp in 10 days!
